Tiger Cub Fun Day!

Join Tigers from across our own Arrowhead District for lots of games, activities and booths at the annual Tiger Cub Fun Day, held this year at the Boys and Girl Club of Nashua, **Saturday, May 17th**. The cost is \$5 per family, which the Pack will pay for, based on a list supplied by the Tiger Cub Den Leaders. Boys can invite their friends to come along for free (with their families). If your son brings a friend to the event, your son will get a patch. If the friend joins up, your son will get a second patch! **Registration starts at 11am**, and the actual event runs from 12 to 4pm. See you there!

June Cross-Over PACK MEETING

This year's final (June) Pack Meeting will be held outside at **Robinson Pond**. This is an important night for our scouts, the night they will cross the bridge to the next level of scouting.

SPECIAL NOTE: THIS MEETING WILL BEGIN AT 6:30 PM, not 7pm. In preparation for cross-over, Tiger, Wolf and Bear Den Leaders will work with their Den to coordinate purchasing neckerchief, slide and book. Den Leaders will then bring these materials to the June pack meeting. **IMPORTANT REMINDER: ALL SCOUTS MUST WEAR THEIR CLASS-A UNIFORMS.**

Remember: Scouts to March at Memorial Day Parade

Pack 20 Cub Scouts are invited to march at this year's Memorial Day Parade, **May 26th**, in Hudson. Scouts should **meet at Blockbusters at 1pm** — the parade starts at 2pm, and will last from 1 to 1 1/2 hrs. It may be hot out, so the boys **should bring a day pack with water**. **Parents must meet their boys** where the parade will end, at the **American Legion**, about 3:00—3:30 pm. Hot dogs and chips await the scouts at the end. **REMINDER: CLASS-A UNIFORMS AND HAT ARE REQUIRED.**

Great Summer Activities in the Works

The Pack-20 leaders are working hard to bring our scouts some extra activities for this summer. Events include a **summer cookout**, a **flea market**, a **baseball campout**, and in the early Fall, an **overnight outing** at the **SEE Sciences Center** in Manchester. Dates, times, permissions and other negotiations are currently under way. We'll keep you posted through your Dens, the website and the email list.
